P.O. Box 1450
Alexandria, VA 22313-1450

Dear Madam:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the Applicants request that the Patent and Trademark Office consider the references listed on the attached PTO/SB/08 during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement (IDS) is filed before the mailing date of a first Office Action on the merits as far as is known to the undersigned (37 CFR 1.97(b)(3)).

Applicant has not submitted copies of foreign patents B1 to B6 or non-patent literature documents C1 to C53 and C55 to C59 with this IDS because copies were previously submitted with an IDS dated December 14, 2006. The attached PTO/SB/08 form has been revised to include titles of non-patent literature documents (inadvertently omitted from the December 14 IDS). This new IDS also lists additional documents, with the addition of

foreign patent document B7, and non-patent literature documents C54 and C60. (Copies enclosed.)

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 28113/39467A.

Dated: January 19, 2009

Respectfully submitted,
